### ▲ Export tax

On 23 December 2018, the Egyptian Ministry of Trade and Industry issued Ministerial Decree no. 1098 increasing export duty on feeding ingredients until 31 December 2019. Notably, the duty level is increased to its original levels introduced as per Ministerial Decrees 1581/2017. This Decree also revoked Decree no. 50/2018, see related state act.

The rate of duty imposed on exports of vegetable waste (HS 2308), straws and husks (HS 1213), and alfalfa and feeding products (HS 1214) is increased to 900 EGP (50.38 USD) per tonne. The previous duty was 300 EGP (16.79 USD) or 600 EGP (33.59 USD) depending on the subject good. Additionally, the imposition period of duty levels on Barns (HS 2302) is extended, see related state act.

On 12 May 2019, the Egyptian Ministry of Trade and Industry issued Ministerial Decree no. 450 decreasing the export duty on alfalfa and feeding products (HS 1214), see related state act.

On 16 December 2019, the Egyptian Ministry of Trade and Industry issued Decree no. 1146 extending export duty on some feeding items whilst decreasing the export duty on others, see related state act.
