Additional information on how you expect your Aid-for-Trade spending to change in the next 5 years. There may be new budgetary cuts, but it is not possible for the time being to indicate to what extent they will affect AfT spending.

PAGE 14: SECTION 1 : AID-FOR-TRADE PRIORITIES

Q11: Looking ahead, what changes do you expect to your Aid-for-Trade strategy (or the trade priorities in your South-South development strategy) in the next 5 years?(You may tick more than 1 box) Budgetary cuts, More focus on LDCs,
More focus on poverty reduction ,
More focus on results,
More focus on trade facilitation ,
Specific focus on implementation of the WTO Trade Facilitation Agreement

Q12: Are you engaging with the private sector in the design, delivery and monitoring of your South-South Aid-for-Trade programmes? Yes

PAGE 15: SECTION 1 : AID-FOR-TRADE PRIORITIES

Q13: If yes, how are you engaging with the private sector:(You may tick more than 1 box)

Global business associations

PAGE 16: SECTION 1 : AID-FOR-TRADE PRIORITIES

Q14: In your view, can Aid for Trade make a contribution to the achievement of the 2030 Sustainable Development Agenda ?

Yes

PAGE 17: SECTION 1 : AID-FOR-TRADE PRIORITIES

Q15: If yes, please specify which Sustainable Development Goals (SDGs) you think that Aid for Trade may help to achieve?Sustainable Development Goals:

1. No poverty , 2. Zero hunger ,
3. Good health and well-being , 4. Quality education ,
5. Gender equality, 6. Clean water and sanitation ,
7. Affordable and clean energy ,
8. Decent work and economic growth ,
9. Industry, innovation and infrastructure ,
10. Reduce inequalities,
11. Sustainable cities and communities ,
12. Responsible consumption and production ,
13. Climate action, 14. Life below water ,
15. Life on land,
16. Peace, justice and strong institutions ,
17. Partnership for the goals

PAGE 18: SECTION 1 : AID-FOR-TRADE PRIORITIES

Q16: Are you integrating women's economic empowerment into your South-South Aid-for-Trade programmes?

Additional information to how you are integrating women's economic empowerment into your South-South Aid-for-Trade programmes (e.g. indicating how programmes are attempting to impact women and marginalized groups).
Our programmes intend to empower all vulnerable groups.

Q17: Have you undertaken an evaluation of your South-South Aid-for-Trade support?

No

PAGE 20: SECTION 2 : TRADE FACILITATION AGREEMENT

Q18: Is trade facilitation reflected as a priority in your South-South Aid-for-Trade programming? (You may tick more than 1 box)

Yes, Aid-for-Trade Strategy with a direct link or reference to the TFA

,

Additional information on how trade facilitation is reflected as a priority in your South-South Aid-for-Trade programming.

Brazil has set Trade Facilitation as a priority national policy and has been developing important projects in this field such as the Single Window project and the Authorized Economic Operator, in order to fully comply with the TFA measures. Our government is taking the advantage of the expertise that has been achieved in the development of this projects and has been carrying on cooperation initiatives with other countries, in a South-South approach.

PAGE 21: SECTION 2: TRADE FACILITATION AGREEMENT

Q19: Are you providing Aid-for-Trade support to implement the Trade Facilitation Agreement? (You may tick more than 1 box)

Yes, funding to regional/multilateral TFA implementation mechanism

PAGE 22: SECTION 2: TRADE FACILITATION AGREEMENT

Q20: If yes, how are you programming Trade Facilitation Agreement implementation support?(You may tick more than 1 box)

As part of on-going programmes offering national support for Trade Facilitation Agreement implementation

,

Additional information on how you are programming Trade Facilitation implementation support. The Brazilian Government has signed a Memorandum of Understanding (MoU) with the International Trade Center – ITC in order to coordinate actions to provide technical assistance to African countries on Trade Facilitation initiatives. As a result of this MoU, two workshops were already held, in Angola and Mozambique, with a focus on the implementation of the Trade Facilitation Agreement measures.

PAGE 23: SECTION 2 : TRADE FACILITATION AGREEMENT

Q21: In which regions are you providing Aid-for-Trade support to implement the Trade Facilitation Agreement? (You may tick more than one box)

Sub-Saharan Africa

PAGE 24: SECTION 2 : TRADE FACILITATION AGREEMENT

Q22: Which disciplines of the Trade Facilitation Agreement are you providing Aid-for-Trade support? (You may tick more than 1 box)

Art 1: Publication and Availability of Information ,

Art 5: Other measures to enhance Impartiality, Non discrimination and Transparency

Additional information on the disciplines of the Trade Facilitation Agreement for which you are providing Aid-for-Trade support, in particular with respect to specific measures within articles (e.g. single window, authorized operator, etc.).
Brazil has created an enquiry point mechanism, called "Comex Responde" (<http://www.comexresponde.gov.br>), which gather all government authorities involved in foreign trade, in order to answer enquiries. Other example of an ongoing project in Brazil is our single window initiative, named "Portal Único de Comércio Exterior", which was considered a model of single window implementation in the "Enabling Trade Report" by the World Economic Forum. Brazil is also in the final phase of establishing the National Committee on Trade Facilitation. These are examples of implementation of TFA measures which Brazil is able to share knowledge about.

Q23: What difficulties, if any, are you facing in programming and providing support to partner countries or regional economic communities and transport corridors to implement the Trade Facilitation Agreement?(You may tick more than 1 box)

Other (please specify),

Additional information on difficulties, if any, you are facing in programming and providing support to partner countries or regional economic communities and transport corridors to implement the Trade Facilitation Agreement, in particular with respect to specific measures within articles (e.g. single window, authorized operator, etc.).
So far Brazil has conducted two seminars with African countries focusing on the implementation of the TFA. However, currently the Brazilian government is facing budgetary restriction that may have impact in future initiatives, as they involve travel costs and others.

PAGE 25: SECTION 2 : TRADE FACILITATION AGREEMENT

Q24: Are you working with the private sector to support implementation of the Trade Facilitation Agreement?

Yes

PAGE 26: SECTION 2 : TRADE FACILITATION AGREEMENT

Q25: If yes, how are you engaging with the private sector:(You may tick more than 1 box)

Global business associations,
Additional information on how you are working with the private sector on TFA implementation. The main initiative of cooperation with the private sector consists in a Memorandum of Understanding with an Institute that gathers institutions from several areas of the private sector, such as manufacture, agriculture, logistics and the overall trade community. This Institute – Procomex (<http://www.procomex.com.br/>) - provides the government with input in terms of mapping of the foreign trade processes from a private sector perspective and also identifies opportunities for improvement in these processes. Procomex is also consulted on important project initiatives and also participates in the validation phase of the new systems being developed.

PAGE 28: SECTION 3: E-COMMERCE

Q26: Does e-commerce (or other digital strategy) feature among the priorities in your South-South development policy? No

PAGE 29: SECTION 3: E-COMMERCE
