# Study on Social and Emotional Skills (SSES)

**Thank you for taking part in the SSES study.**

The Study on Social and Emotional Skills aims to assess the social and emotional skills of students at multiple international locations, and to examine the factors in students' home, school and community environments that promote or hinder development of these skills.

All information collected will be kept **strictly confidential**. To ensure that your privacy is maintained, only combined results from the study as a whole will be analysed and reported. No individual information will be released to any person or department except at your written request and on your authorisation. Participation in this study is voluntary. You are free to withdraw from the study at any time or choose not to take part. Please continue if you agree to take part.

There are no 'right' or 'wrong' answers. Please answer each question as best as you can.

## PLEASE READ THESE INSTRUCTIONS

- Use **black** pen when completing this form.
